

The Royal Garden Party - Tuesday 9 May' 23

The WLCow was very well represented at the King's royal garden party. Our Senior Warden and Chair of PR Committee **Agnes Xavier-Phillips JP DL** and her husband Nigel Phillips, IPM **Stuart Castledine** and his wife Christine and Liveryman **Angharad Lloyd Beynon** were all very privileged to be invited independently to The Royal Garden Party.

It was fortunate they all managed to catch up with each other at the party and have photos taken together. Other familiar faces at the party were the former High Sheriffs of South and Mid Glamorgan **Rosaleen Moriarty- Simmonds OBE**, **Jeff Edwards MBE JP DL** and **Maria Thomas JP**.

They were all extremely lucky with the weather given the forecast and enjoyed a sumptuous afternoon tea in glorious sunshine. A day of splendour to remember !
