

The Worshipful Company of Paviments

Autumn Dinner

Merchant Taylors' Hall

The Master represented the WCoW at the Autumn dinner of The Worshipful Company of Paviers at Merchant Taylor's Hall, pictured above with The Master and Wardens of the Paviours Company.

He enjoyed participating in the loving cup ceremony with the top table guests.

The guests were entertained by an organ recital on the only live organ in any livery hall !

The speech at the dinner was the first speech made at a Livery Dinner by this year's Lady Mayoress Elizabeth Mainelli. It was a wonderful night!
