

EASTER EGGS!

Two sixth formers from Ysgol Tryfan, in Bangor – Cari Thomas (left) and Lily Tooes- McLaughlin (centre) receiving their awards from the Worshipful Livery Company of Wales

Cari and Lily are pictured with the Chairman of the North Wales Committee, **David Meredith-Jones**, receiving their awards from our Livery Company.

Cari had also received more good news, having just discovered she had been accepted to read journalism at Leeds University – her first choice.

Lily, in addition to her award from our Company, had also received good news! She had just heard she had been accepted to study nursing at the University in Bangor, which was what she wanted.

The Chairman, when congratulating the young ladies, said *“they are both well deserving students”*.
