

Masters Banquet at the Mansion House Thursday 23 March 2023

The Master and his consort were invited by the Lord Mayor, Alderman Nicholas Lyon's to a magnificent white tie banquet at Mansion House on 23rd March 2023.

The dinner was to all Masters of Livery Companies in London as well as representatives of a small number of outwith Companies. There were 350 people present and the full civic party - Aldermen, Sheriffs, Chief Commoner etc. attended. That the WLCow is invited to this event is a sign of the friendship offered to us by the Lord Mayor and Livery community in London and evidence that the work the Company does in Wales is appreciated.
