

**ST. DAVID'S DAY CELEBRATIONS WITH KATHERINE JENKINS OBE  
AT THE IVY, CARDIFF  
1ST MARCH 2024**

On 1st March, the Senior Warden Agnes Xavier- Phillips JP DL was honoured to be invited and celebrated St Davids Day in style, with Welsh brand Cygnet Gin cocktail party hosted by special guest Katherine Jenkins OBE, Welsh International mezzo- soprano at The Ivy Cardiff. It was a great turn out with over 100 guests including Martin Roberts from Homes Under the Hammer.

Cygnet Gin is the first Welsh gin founded by Katherine Jenkins and made from Welsh spring water. A range of Cygnet gin cocktails was served throughout the night together with delicious canapés. Welsh music talent performed exclusively on the night.

A great way of celebrating Welsh heritage and marking the feast day of Wales' patron saint St. David, who spread messages of love, peace and harmony.
