

**WORSHIPFUL LIVELY COMPANY OF WALES AWARD WINNER'S COMMUNITY
BECOME FREEMEN OF THE COMPANY**

Worshipful Livery Company of Wales Award Winner's Community Committee become Freemen of the Company We are delighted that our Award Winners Community now has a new Committee. The members are Dr James Bain (Chair), Caitlin Tanner, Ash Curnow and Lucy Kember.

The four have also been admitted as Freemen of the Company. They took the oath at ceremonies led by the current Master, Agnes Xavier-Phillips and the IPM, John Charles. PM Kathy Seddon helped organise the events. The Committee have already carried out a poll, in the thriving AWC WhatsApp Community, to scope out the next AWC event. The poll results have allowed them to begin to plan an AWC event in July.
